How Fitting! A New Toll Tax Proposal on *Tax Day!* And it still hikes our Fares!

On Tax Day no less we learn the latest scheme to impose tolls on our free bridges and still hike our fares. Now the toll taxers try to fool the people with their latest scheme relying on a vague *promise* of exemptions as they try to pick off constituencies. This Tax Day toll scheme raises No revenue so why bother unless they plan to gouge us later. And it already remains clear how inefficient any toll-tax scheme remains. Why not respond by passing a real plan – both fair and equitable and imposing no fare hikes, no cuts, no tolls on free bridges – based on sound [alternatives](#) Keep NYC continues to outline – and this FAIR to the FARE plan enables legislators to build a program that addresses transit and road finance needs.
