Councilman Miller steadfast v. Toll-tax Spoke out against congestion pricing on Good Day New York

City Council Member I. Daneek Miller spoke out this morning the congestion tax [scheme](#) marketed by [MoveNY](#). At an early morning appearance today on Good Day New York with the chief spokesperson for those toll-taxers, Councilman raised issues of inequity, practicality and revenue sources. In a post on his [Instagram](#) account, Miller stated, “There are many alternatives to this regressive tax that ensures funds to create a more equitable transportation system in our City and I will continue to advocate for them.” Keep NYC Free commented [yesterday](#) on this latest version of the toll-tax [scheme](#).
